Pina Gallo Maguire, Vice Principal

Friday 25 March 2022

Dear Parents/Guardians of Room 

I am writing to provide notification (as confirmed by a positive PCR or Rapid Antigen Test) of a case of COVID-19 in your child's class. The individual was last in the school on **Thursday 24 March 2022** and will only return to school after the [period of self-isolation](#) required by Toronto Public Health (TPH).

Based on updated [COVID-19 guidance](#), being in the same classroom cohort is not considered a close contact. Therefore, your child does not need to self-isolate and can continue to attend school if they do not have any symptoms. Please continue to monitor your child for symptoms every day. It's important to note that not all cases are confirmed through testing and those who have symptoms listed on the COVID-19 screening tool may also be positive for COVID-19.

The health, safety and well-being of staff and students remains our top priority. One of the most important things we can do to slow the spread of COVID-19 in our schools, is for students and their families to continue to screen themselves daily for any symptoms of COVID-19 **before coming to school** using the [Screening for Children and Students](#) form. *(Please note, this form is no longer required to be signed and brought to school).*

Should you have any questions, please contact the school or visit the [TPH website](#) for general information. For general questions, please call the TPH COVID-19 Hotline at 416-338-7600, Monday-Sunday 8:30 AM – 4:30 PM, to speak with an agent. If you need immediate assistance, please call Telehealth Ontario 24 hours a day at 1-866-797-0000.

Sincerely,
